

What is Haukai?

In te reo Māori, Haukai means a feast, a coming together to share food in abundance and celebrate community.

Traditionally, a haukai was prepared to honour guests, showing manaakitanga (hospitality, generosity, and care).

At Haukai Bistro & Bar, we embrace this tradition. Our menu is designed to celebrate the flavours of Taranaki, highlighting fresh, local ingredients and the stories of our region. Every dish is created with the spirit of haukai
